# BARNES COUNSEL INTENDS

TO QUIZ ROOSEVELT AGAIN Syramuse, N. Y. May 4.—The prospect of meeting both Theodore Roosevelt and William Enries on the witness stand drew another large crewd to the court house today when the hearing was resumed of Barness 150, 2000 libel suit. Although counsel for the defence intimated they would not question the colonel at any great length, Wim. I wins, chief counsel for Harnes, was said to be ready to put the colonel through an extended cross examination.

ber that this question could not be submitted at a special session. He also chamber of commerce directors and senator and now assistant secretary of the may, arrived here today in answer to a summons from the Recognetic counsel. Roosevelt, it was said, was to testify regarding a deadlock in the senate which altimately resulted in the senate which altimately resulted in the selection of James O'Gorman as United States senator. Roosevelt, a Democrat, was the leader of an insurgent movement in the state senate at that time.

The nuclitorium project, together with the new major's pet projects and he motion or amendment, representative is now working on both to make them cops moved to adjourn until 10 a.m. realities during his administration.

head buried in the pillow.

Mrs. Davis picked up the baby and when she discovered that the body was limp, she relephoned for physicians who worked with the little girl until after 1 oclock.

The pulmotor from the Electric Ballway cumpany was taken to the Davis home by Aives Dixon and it was used in a desperate effort to review the little baby, but the physicians declared that her death probably occurred while she was in her crib, having been caused by suffocation when she turned over on her face and could not min back. inte offered by senators Nugent and McNeshus, declaring there is no ground for the charge and that the action of the state health officer be approved. This substitute was adopted by a vote of nine to eight, three present not voting. There was one pair.

The senate passed finally the bill of senator Cowell, making an appropriation of \$10,600 for the Panama-Pacific exposition, to be expended for the collection and maintaining of a suitable exhibit.

tomorrow, which prevailed, leaving the

question undecided.

To Pass Money Bills This Week,
Final disposition of not less than
four of the five general appropriation
bills is the program for this week in
the legislature, while some of the mem-Hudspeth offers Resolution.
Senator Hudspeth, at the request of the Cenfederate Veierans' camp at San Angelo, sent up a resolution asking the legislature to memorialize congress to make restitution for property losses caused during the civil war, either directly or in the way of pensions for Confederate veierans and their widows.

# On motion of senator Hee, all reference to ponsions was stricken out, and the resolution was then adopted. The senate then adjourned to 18 a. m. th. Suffrage Question Settled. The woman's suffrage question, so far as this special sension of the legislianre is concerned, was quickly and finally disposed of today in the house, when the suffrage resolution was indefinitely postponed by a vote of 56 to 12. This is the resolution introduced yesterday requesting the attorney general to give the house an opinion as to whether or not this legislature would have power to enact statutory equal suffrage law. Problition Comes Up.

Mayor to Meet Chamber of Commeerce Wednesday to Start \$100,000 Project.

whether or not this legislature would have power to exact statutory equal suffrage law.

Problition Comes Up.

The prohibition question then occupied the attention of the house for a print period when representative Leweling moved that out of courtery to Mrs. Nannie Web Curtis, president of the Texas W. C. T. L. the speaker be directed to answer her telegram sent a few thinys ago, urging the enact ment of statutory prohibition, advising her that this question could not be submitted at a special session. He also mixed that the message be gent to the commerce directors and the chamber of commerce directors and the most on the many see fit. Representative Barby, as anti-bade, moved to amend the motion by striking out all that portion about sendings in the chamber of commerce directors and large enough to house all of the public government of the mostage to the government of the public government of the commerce of the public government of the most on the motion by striking out all that portion about sendings in El Paro for years to come.
